Mayor Roswarski to be Keynote Speaker at Tree Lafayette Annual Meeting

Come learn about the wondrous and diverse trails, rivers, and trees in our city from Mayor Tony Roswarski, who will be presenting on the topic during Tree Lafayette's Annual Meeting, Wednesday, Nov. 11, 2015, 11:30 a.m. – 1 p.m. at the Lafayette Country Club, in the clubhouse building.

Tree Lafayette volunteers, supporters, and community members interested in learning more about Tree Lafayette are invited to attend. Cost for the lunch and event is \$15.00. Please contact Matt Green for a reservation by Nov. 2, 2015, and pay at the door.

The annual meeting is a chance to highlight the organization's accomplishments during 2015, and to recognize individuals and groups for volunteerism and environmental achievement. Awards to be

presented include the annual Preservation Award, Environmental Award, Volunteer of the Year, and Special Membership Recognition. Election of board members will also take place.

In addition to the formal presentations, the annual meeting is a good opportunity to connect with other like-minded green enthusiasts in Greater Lafayette.

“Lafayette is extremely proud to be home to more than 25 miles of trails,” says Mayor Tony Roswarski. “These trails, along with our impressive parks, green spaces, and Wabash River corridors, allow residents to connect with nature, and participate in healthy-living activities.”

Tree Lafayette President Denise Coogan looks forward to sharing the organization’s successes with everyone at the annual meeting:

“Tree Lafayette has had a very good year thanks to the hard work and dedication of all of our volunteers,” she says. “To quote Nelson Henderson, a second-generation farmer from Manitoba, Canada :

‘The true meaning of life is to plant trees, under whose shade you do not expect to sit.’”
