

## **Tree Lafayette Individual Volunteer Opportunities**

Join our dedicated team of world-changers to improve our community and the environment one tree at a time! Volunteer with us to support our mission of promoting a healthy community by providing education, leadership, and inspiration in planting and caring for trees. Time commitments are flexible. Trees have many benefits. Plant locally for local and global benefits.

More information at: <https://www.treelafayette.org/get-involved/>

---
